SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents  
Alexandria VA 22313

Dear Sir,

The information listed in the accompanying form PTO-1449 and provided herewith may be material to examination of this application and is submitted in compliance with the duty of disclosure under 37 CFR § 1.56. The Examiner is requested to make this information of record in the application.

The GB 821989 patent (Beall & Grant) listed on the PTO-1449 has been cited by the Canadian Intellectual Property Office against the counterpart of the subject application currently pending in Canada (CA 2,459,869).

This Information Disclosure Statement is not to be construed as a representation that a full search for relevant information has been made, that all relevant information has been found, or that the information provided with this Statement is considered to be material to patentability of the claimed invention as defined under 37 CFR § 1.56(b).

This Information Disclosure Statement is being filed after the first Office Action on the merits, but before issuance of a final Office Action or Notice of Allowance, pursuant to 37 CFR § 1.97(c)(2). It is supplemental to an IDS filed in this application pursuant to § 1.97(c)(2) on April 3, 2009. Since the Office has not taken an action between the April 3 IDS and this supplement, applicant believes that no further fee is required.

In the event the Office determines that a further fee is due for consideration of this additional reference, or for further consideration or processing of the subject application, the Commissioner is hereby authorized to charge such fee (or credit any overpayment) to Deposit Account no

50-3875.

Respectfully submitted,

Robert M. Gamson
